

Module 2

Lesson 4

Footwear Patterns

Learning Objectives

- All students will learn about how footwear marks are useful if found at a Crime Scene. The CSI Examiner can gain a great deal of information about what has happened and about the possible suspect or victim and question Who? When? Where? Why? What? How?

Sticker number: 4

Activities

- Play BBC film on footwear analysis.
- All students will analyse their own footwear mark and use a footwear lift (**Sticker No.3**) from the **WIB** in order to take a footwear impression of their shoe print. This will be placed on the back of the Fingerprint / Footprint Sheet to analyse using a magnifying glass and microscopic torch.
- Play a 2 minute clip from BBC Sherlock video (Great insight into Sherlock's mind!).

Lesson Extras

- A factsheet PDF is included along with an informative video to enable further discussion on this topic.
